Subject: Bomb Plant

President Bush,

Do Not build a billion dollar Bomb Plant in Oak Ridge, Tennessee. It is not necessary, it is crazy. We need that money for more humane treatment of prisoners, better schools, living wages, etc.

Issue Code: 16

There is no plan or proposal in the Y-12 SWEIS to build a bomb plant or to manufacture new nuclear weapons. The proposed action and alternatives analyzed in the Y-12 SWEIS address continued operations of the assigned nuclear weapons stockpile management requirements of Y-12.

DOE is responsible for meeting the current requirements set forth by the President and Congress in the Nuclear Weapons Stockpile Memorandum, which is updated annually. The need for nuclear weapons and alternative uses of the Nation's funds are beyond the scope of the Y-12 SWEIS.
